Discontinuation Information

This product support discontinuation notice serves as a formal notice that thinkRF is now discontinuing ongoing API support for the LabView and MATLAB integrations as of November 30th, 2022.

thinkRF is currently working on adapting the next-gen API which is easier to use and comes with more functionalities compared to the outgoing APIs.

We appreciate your understanding and value your partnership. We look forward to thinkRF's continued support of your company's spectrum monitoring requirements in the years to come.
